

FOOTBALL

Football is my favorite sport to watch. My dad and I love to watch football together. There are 32 different teams in the NFL. My favorite team is the Miami Dolphins. In 1972 the Dolphins had the NFL's only perfect season. That means they won every single game throughout the whole season, including the Super Bowl!!! Take that you Patriot fans!

My favorite position is quarterback. The quarterback is protected by the other players so he can make his pass. A good pass can be more than half the length of the playing field. My favorite quarterback is Dan Marino. He was one of the NFL's all time leaders in passing records. Too bad for the Dolphins that he retired.
