

TIGER WOODS

Tiger Woods is a professional golfer. He has been playing golf since he could walk. Tiger's real name is not Tiger, it's Eldrick. When Tiger was young, his parents made him do his homework before he could play golf. Tiger won his first big tournament when he was only six years old. Everyone was beginning to notice just how talented he was. When he was older, he was ranked the number one player in college. Tiger has won more tournaments than any other golfer. Now he is one of the best.
